DISTRIBUTION CODE ASSIGNMENT TABLE - C
CUSTOMER EQUIPMENT - STATION

1. GENERAL

1.01 This supplementary appendix provides a separate Distribution Code Assignment Table for Customer Equipment - Station practices.

1.02 This supplementary appendix is reissued to update the assignment changes on the Distribution Codes.

1.03 The cost information shown below is based on the price in effect at the time of publication ($4.40 per 100 pages). Check Appendix 1, Paragraph 1.04, of this Section for the most current price information.

1.04 A list of standing order Distribution Codes for a location is printed on the Select Ticket (packing slip) included with each BCP shipment. A Location Status Report (LSR), showing the selected Distribution Codes and all practices assigned to those codes in your library, can be obtained by submitting a Form RG 31-0033 to the TIRM Documentation Coordinator, 1600 Bell Plaza, Room 1713, Seattle.

1.05 The Service Manuals (C-04 through C-09 and C-41 and C-44) may be ordered as follows:

- Up to ten - Direct from the Seattle-CDC by calling (206) 345-5530
- Over ten - Must use Form RG 31-0033 and mail to:

  PNB BCP-TIRM Documentation Coordinator
  1600 Bell Plaza, Room 1713
  Seattle, WA 98191

  NOTE: Be sure to update your standing orders for manuals when your crew size changes.

1.06 A bullet (•) indicates a Distribution code that has been added or changed since the previous issue of this Table.

1.07 A square ([]) indicates a canceled Distribution Code since the previous issue of this Table.

NOTE: Most BCPs are available on microfiche as well as paper. See Sections 000-010-011PN, Appendix 1 for details.
